HOUSE NEWS

Montessori House for Children

Welcome to School Year
2013-2014

~

The children and families at MHFC together welcomed the school year with 'A Peace Rally' and 'Community Garden Day'.

Both events were enjoyable and very well supported by all. Peace Education is a core value of the Montessori philosophy, and it is through the children that peace prospects will flourish in the future.

Fitting, also is the 'grounding' of our values through our gardening together. The adults who could come for Peace Day and those who joined in the gardening activities with the children, created lasting awareness and memories. The children's outdoor spaces are beautiful!

~

Gracias...Mercí...Shukran
...Arigato...Xie Xie

Community Garden day : All the parents who came and donated items and volunteered during our Community Garden.

Photography Committee: For sharing photos of Peace day and Garden day.

Parent Coffee: To Neikea Collier . She prepared a delicious cake for Parent Coffee.
