## *Summer 2015*

June 1st will mark the start of our 2015 summer program. We are excited this year to engage EC and Elementary students in a program exploring the countries, cultures, and peoples of the world. Other key objectives are grace and courtesy and emotional literacy lessons.

Monthly calendars, classroom assignments and other pertinent information will be e-mailed to attending families the second week of May. We look forward to a wonderful summer!

## **Special thanks to Shell Oil Company**

We would like to gratefully acknowledge our parents who are employees of Shell Oil, and Shell Oil Company itself for contributing to MEFI. Your generosity is much appreciated.
